ST. JAMES HOTEL CUSTOMER ACCOUNT LEDGER

JANUARY 1887 - 1902

VOLUME 3

The St. James commenced as a saloon in 1873 by a Frenchman, Henri Lambert. The hotel was then established in 1880. A previously published book contained the hotel guest register commencing in 1881, and continuing into the early 1900's, although it is sporadic. Apparently some of the ledgers were lost, or the hotel may have been closed at times.

This account ledger, volume three of three volumes, covers the period January, 1887, to 1902; volume one covers December, 1871, to April, 1875; volume two covers April, 1875 to 1890. These ledgers had not been previously copied, according to the management, and the Genealogy Club of Albuquerque, New Mexico, is pleased to be able to preserve them in this form. These would indicate that the saloon and restaurant were opened prior to the 1873 date, but nothing seems to be definite about the commencement from these records.

I have endeavored to decipher the names as best as possible and I have attempted to verify the page numbers of the accounts with the original index contained in the ledger. Because of the penmanship style, ink blots, varied spellings and scribbled names, this has not been an easy task. I hope this may be of service to the genealogist and give you some background and insight into the lives of the settlers in the west.

My thanks to Mr. Greg Champion, owner of the St. James Hotel, and Mr. Dave Kenneke, Marketing Director, for their assistance and permission in copying the old registers, and to Mr. Edward Sitzberger, previous owner, for his many hours in handling and copying of these old, valuable and fragile documents.

Happy Hunting!
Howard W. Henry, Compiler

IN ACCOUNT WITH

THE ST. JAMES BUFFET

HENRY LAMBERT PROP.

WAINES & LICKERS

NOTICE

There are several pages missing from the original account ledger. There are so many that I have not attempted to insert a blank page for each one missed. Just know that they are missing from the original document and not inadvertantly omitted from this work.
